## Annual Meeting Hotel Reservations:

Dear CSA – NC Member:

The Pinehurst Resort does not have a web reservations link we can use for Hotel reservations for our annual meeting. They have requested that our members mail or fax the reservation form that can be downloaded from our association website to their offices using the fax # provided on the form. Here is the link for the Pinehurst Hotel Reservations form on our website- [www.csanc.org/annMeeting.html](http://www.csanc.org/annMeeting.html) -

Members can also scan the form and email it to Stephanie Robbins at [stephanie.robbins@pinehurst.com](mailto:stephanie.robbins@pinehurst.com). Stephanie will be our group's contact for all reservation matters. Members can also make their reservations by phone by dialing: **800-487-4653, Press Option 1, then Option 2 . and referencing our Booking ID # : 31203.**

The Pinehurst hotel reservations form also mentions 20 rooms per night that members can book at the North Carolina State Per Diem rate. These rooms are located in the **MANOR INN, not the resort**, and will be available on a first come, first served basis. To book one of these rooms our members will be required to show their official University identification card at check in. No other form of ID will be accepted for reservations at this lower rate.

Please note that our reservation deadline line is October 14th, 2011.

Please do not hesitate to contact me with your questions and feedback on the reservations process.
