Qualifications

Companies and sales reps that sell to college bookstores in the State of North Carolina are eligible for membership in CSANC-Associates. There may be more than one member from one company. There may be multiple companies for one member.

Benefits

Membership entitles you and one company to be listed in the online directory giving bookstores and vendors direct information to buyers and sellers of college goods and services. Multiple line reps wanting companies to be listed on the web site will require a membership for each listing. Duplicate this form for each membership. Each member will be given a password to gain access to this information. Non-members will not have access.

Trade Show

The vendor trade show is one of the highlights of the CSANC annual meeting. First year members paying 2011 dues are not permitted to exhibit or distribute any wares or literature, however, they may attend the meeting to interface with bookstore personnel for introduction and appointment making purposes. First year members who wish to exhibit in the November 2011 trade show must submit \$80.00 to cover dues for 2010 and 2011. Members in good standing for fiscal year 2010 are invited to exhibit at the trade show upon renewing membership with payment of 2011 dues. Members not in good standing financially who wish to exhibit in the November 2011 trade show must submit \$80.00 to cover dues for 2010 and 2011.

Applicants are voted in by the membership and are reviewed and renewed annually. If accepted, I agree to abide by all rules and regulations of the CSANC-Associates.
