Qualifications

Any individual that travels the state of North Carolina and calls on college bookstores is eligible for membership in CSANC-Associates. The individual is the member, not the company(s) represented. There may be more than one member from the same company.

Benefits

CSANC Online Directory

Current members of CSANC and CSANC-A will be listed in the online directory giving bookstores and vendors direct information to buyers and sellers of college goods and services. Each member will be given a password to gain access to this information. Non-members will not have access.

Trade Show

One of the highlights of the CSANC Annual Meeting is the Vendor Trade show. If you have been a member for one full year, and in good standing, you are invited to participate at no additional charge in the Vendor Trade Show. Join now in advance of this year's show and be eligible to exhibit in next year's show.

First year members may participate in the New Vendor Area where they can interface with the bookstore buyers and managers before they enter the trade show area. During this time new vendors can hand out business cards and literature only.

Trade show rules are not flexible and disruptive behavior will cause termination of membership.

Applicants are voted in by the membership and reviewed and renewed annually. If accepted, I agree to abide by all rules and regulations of the CSANC-Associates.

Enclosed is my payment of \$40.00 to cover fiscal year beginning October 2009 and continuing through September 2010. If this application is rejected, the payment will be returned or refunded.
